In an effort to avoid any misunderstandings, we would like to review our financial and office policies before you begin treatment in our office.

Payment is expected at the time services are performed. We accept MasterCard, Visa, Discover and American Express. For extensive services we offer low and **no interest** payment plans through Care Credit.

For our patients with dental benefits, our policy is as follows:

You will need to supply us with the employee information (name, date of birth, social security number, employer and I.D. number) as well as the name and address of the insurance company. We will do our best to answer any questions you may have about your benefits but always suggest that you call or visit your insurance company's website for a full breakdown of your benefits.

As a courtesy to our patients, we will gladly submit the insurance claim to your insurance company. We will collect your estimated copayment and deductible at each visit. We make every effort to determine your benefits when you make an appointment for treatment but consider your copayment an **estimate** until we receive payment from your insurance company.

Please remember that any information we provide relative to your benefits is our best estimate and not a guarantee of the payment that will be received.

Appointment Policy:

We reserve appointment times specifically for each patient so that we may provide the ultimate in service. Please schedule your appointment carefully as there will be a charge to your account for any appointment cancelled within a 24 hour notice. This ensures that we can accommodate patients that are waiting to come in sooner for their appointments. Similarly, late arrivals can create scheduling problems with other patients. Please notify us if you are going to be late.

If you need to change an existing appointment, please call during our regular business hours of 9am – 5pm as our answering machine is not able to take messages regarding appointment changes.

Non-compliance and/or abuse of these policies and procedures may result in your discharge from the practice. If the "No Show" and "Late Show" behavior continues without significant improvement, a written notice will be mailed to patient and/or guardian officially and effectively discharging from the practice.

If you have any questions about any of our policies, please feel free to ask any member of our staff.
